

# Degrees Brewery Restaurant

Degrees Brewery Restaurant offers restaurant meals at cafe prices. Menus have been created by Chef David Donovan using locally sourced produce wherever possible.

Staffed by students from the Bachelor of Hospitality Management programs, Degrees offers meals served in a relaxed atmosphere. Students have the opportunity to put their knowledge and skills to the test as they staff and operate a working restaurant, based on ECU's Joondalup campus.

Degrees Brewery Restaurant is open during semester, from week 3 to 13, enabling students to gain invaluable workplace experience while also fulfilling curriculum requirements
